

Waves of Light: A Women's Retreat

on a North Carolina Island at Mother Ocean

Thursday-Sunday June 29 - July 2 2017

Trinity Center, Salter Path NC www.trinityctr.com

Mariam Baker, Farrunnissa Rosa, and Yasmin Scott
will be our inspired facilitators.

In "Dancing and Chanting with Mary Magdalene" with Amina Linda McMakin,
we will weave a shared tapestry of empowerment, balance, and transformation.

Evening brings fresh summer breezes.

We emerge to dance on the beach

In the light of the setting sun.

Joyfully we run into the warm water together

Laughing, welcoming stars and moon,

Opening into the Mystery. We shine in the flowing!

What wisdom may arise from our circle? Come help prepare the feast, and savor...
