By Mother Ocean's side, we'll join together in community to celebrate the 50th anniversary of the Dances of Universal Peace (June 24 1968). With original Dances of Murshid SAM, Walking Meditations, Sufi spiritual practices, and honoring the unbroken flow of new Dance inspirations, we rejoice in half a century of global and personal transformation and delight!

Co-created circles will be part of our sacred time together. Dance leaders may wish to prepare an original SAM Dance or Walking Meditation, or bring an original Dance of their own to share. Dance musicians may wish to bring instruments to support the Dances. **Please register early to ensure your space in the co-creation!**

Early Registration by May 15. Double Occupancy—\$306; Triple Occupancy—\$276. A limited number of single occupancy rooms are available; contact Registrar to request.
