

# *Dancing with Mary Magdalene*

## *The Daughter and the Mother*

*Friday-Sunday, July 26-28, 2019*

*A residential weekend retreat in the beautiful Blue Ridge mountains,  
at Blue Ridge Assembly, Black Mountain, NC (near Asheville)*

Mary said, "If you know the Woman of Light, you will know your Mother and be born of the Mother Spirit as a child of light. Because the light is bornless, you will have eternal life."

Celebrating our 11<sup>th</sup> annual gathering for Mary's Feast Day! I invite you to join me in our continuing journey with Mary, delving more deeply into the mysteries contained in her dances and chants and the message she asks us to take out into the world. During our retreat, we will explore the seven faces of the Daughter and the Mother through ritual, spiritual walks, meditation, free creative time... and more!

*Presented by Amina Linda McMakin, originator of the Mary Magdalene Cycle of Dances.  
Amina will also introduce new inspirations that have come through during the past year!*
